

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 29, 1995

SUBJECT: **SB 1682 - HB 1756**

This bill, if enacted, will require the Department of Safety to include in every driver license renewal and vehicle registration renewal form an educational insert explaining the effects of drugs and alcohol on a person's ability to operate a vehicle. Beginning in February, 1996, the department plans to replace the existing form for driver license renewal notification with a postcard. As a result of this change, a separate mailing would be required to send educational material as of February, 1996. Adding the same insert in vehicle registration renewals will require approximately 4,000,000 additional printed copies.

The fiscal impact from enactment of this bill is estimated to result in an increase in state expenditures of \$420,200 the first year and \$495,800 the second year as a result of the proposed change.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
